

# 6 Key Elements of a Physician Strategy

## Overview

As health system physician enterprises have grown, addressing their challenges are central to health system success. Engaging physicians and supporting health system goals requires a cohesive approach. These 6 elements need to be integrated to treat the physician enterprise as the complex and dynamic business that it now is.

## 6 Key Strategy Elements

## The Solution

To explore how to enhance your effectiveness on each element and maximize the impact of your physician strategy, contact Mark Dubow ([mdubow@veralon.com](mailto:mdubow@veralon.com)) or Rudd Kierstead ([rkierstead@veralon.com](mailto:rkierstead@veralon.com)).
