

TRANSFORMATIVE HEALTHCARE CONSULTING

Video Courses

We create and deliver learning directly to hospital trustees, offering 175+ courses in **Governance, Finance, Mission & Strategy, Quality, and Technology & Innovation**. It takes 10-15 minutes to complete a course and walk away with 5 actionable takeaways. Our bite-sized and impactful content is delivered directly to your desktop, tablet or phone.

Experience insights from the nation's most coveted subject matter experts' governance best practices. We offer individual or group learning pathways with a curriculum tailored for the board as a whole. Quickly access courses in a calendar to track assignments and measure progress through our individual or group learning pathways.

FAQs

Are there courses for new trustees?

Yes. We have an essentials kit that helps new trustees get up to speed on Governance basics. This can be used as a robust first learning step.

Are there courses for advanced trustees?

There's something for everyone. Not only do we have advanced courses, but most trustees do not have extensive knowledge in all of the areas that we cover.

Can I choose the courses in my ILP?

Your Individual Learning Pathway (ILP) can be chosen by you, we can recommend courses, or it can be a collaborative effort.

Are you making new courses?

Yes. We are always creating new courses to keep the library fresh with new, relevant topics for trustees and hospital leadership.
